15 HVE!

Pam,

Ops that was a mistake. Oh well that's life. I always start out with a mistake. Well Pam, if I tried to tell you how much fun we had with you I could never get it on this page or as far as that goes in this book. Remember the fun we had at camp. Especially that one night. I tell you, you just about scared the liver out of me. I mean it to. It was certainly dark in there. How about the time we went swimming at Bensons and were trying to be bathing beauties and when we started to swim parts of our bathing suits left us. Remember the night after the retreat up at American River. I had a lot of fun. Most of it when we were watching T. V. How about you? We certainly made the kids up front mad didn't we? Remember the many times we double dated and all the fun we had. Also the night of the Basketball tournament. Did you have a nice sleep? But what really topped all the nights off was the night

at your house when Ken & Dick came up. We sure made some good taffy and hamburgers. But we weren't always with boys when we had fun. How about all the old Hmw parties we've had. Especially the last party. Darlene's slumber party. We had a lot of fun even if Sis and I mostly me

Hi Lily!
Lots of love to you
and Robin. Rich
is really heart broken
he thought so much
of you. But every day
I tell him you take
it easy & he's happier.
Program day

got into a little trouble. Remember all the games we've
 gone to together. Also all the Roller skating parties. Our gang
 has had a lot of fun together, but just think of all
 the fun we're going to have our next two years when we
 are big upperclassmen. Won't
 we have fun?
 you to know
 of respect and love for
 gal that I run around
 we will always be as
 as we are now. Although we haven't
 Even though we fight
 like cats and
 dogs always
 remember
 me as a good pal. To you
 I wish the best of luck
 always. I hope we have
 as much fun all the
 rest of our lives as we
 have had. I'm getting sentimental so I guess I'd
 better "shut up" Love Always to a swell friend
 and one of the ole gang. See you lots this
 summer. Love.

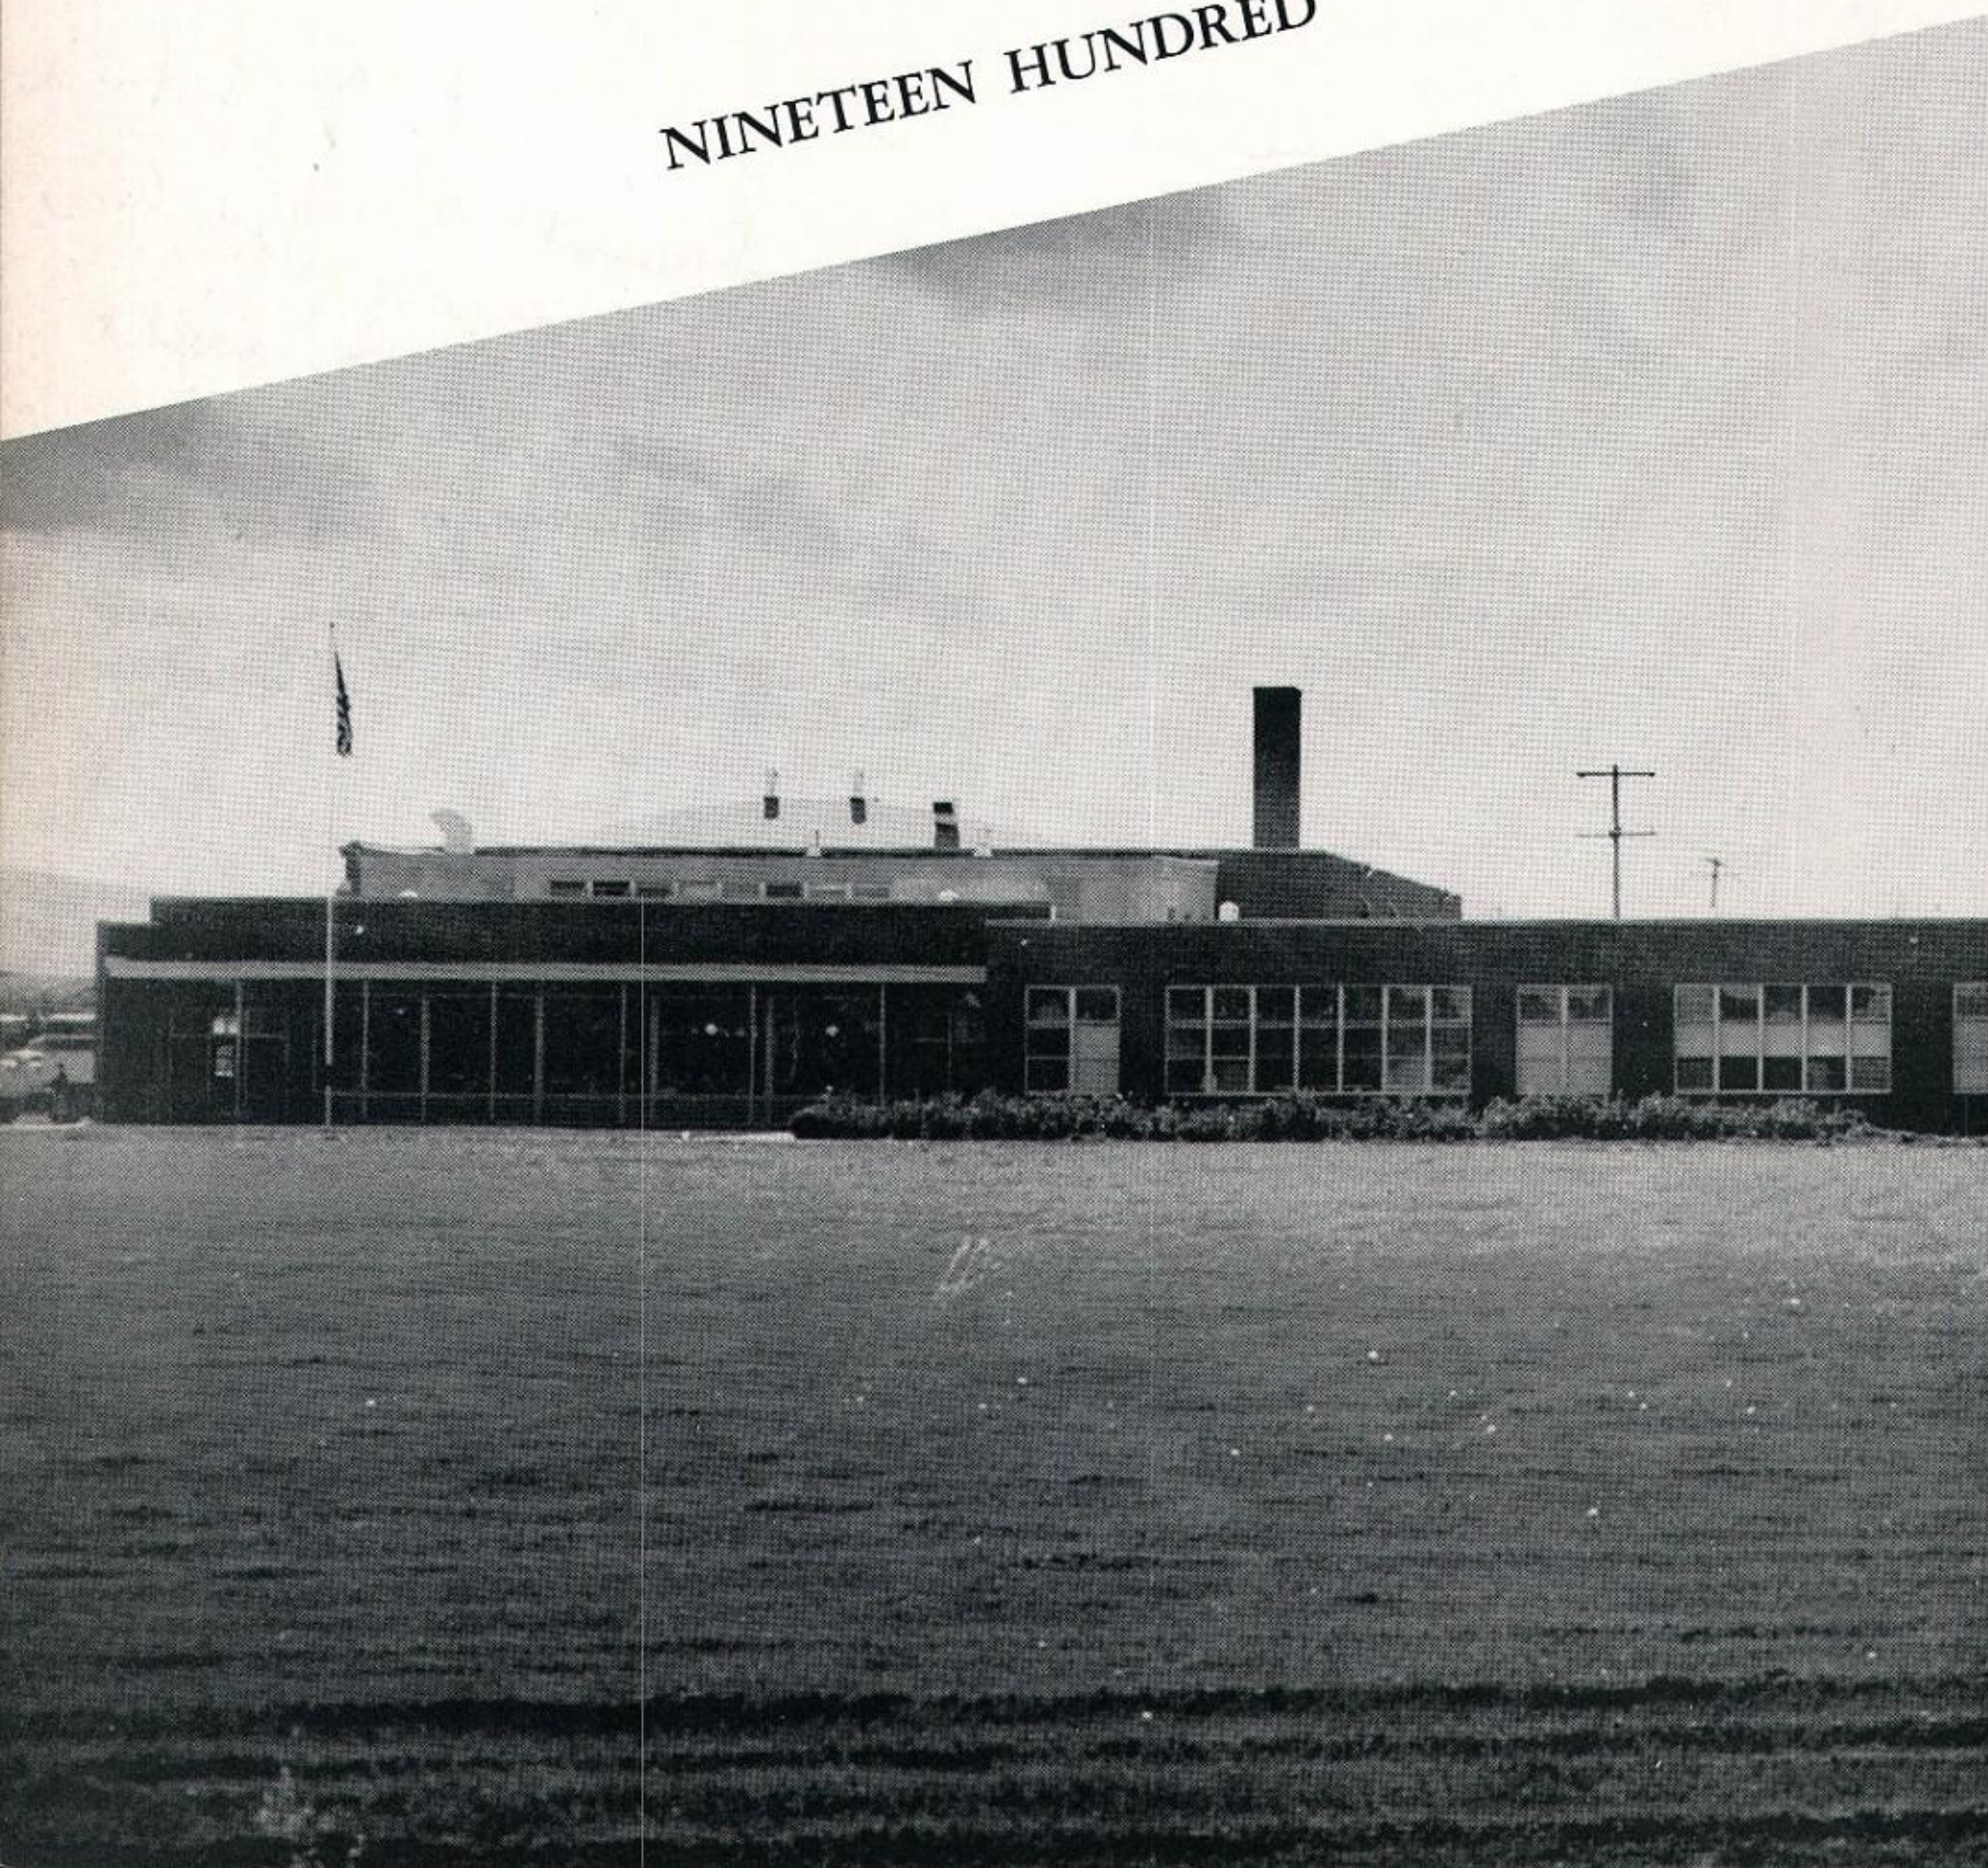

Best of wishes
 to a real
 wonderful gal.

Looking o'er the hills of Highland
With their haze of blue,
Stands our dear old Alma Mater
Highland High so true.
'Mid the orchards and the meadows
Of the valley green,
With its skies so clear and friendly

ADVERTISEMENTS

True worth is in being, not seeming;
In doing each day that goes by
Some little good—not in the dreaming
Of great things to do by and by,
For whatever men say in blindness
And in spite of the fancies of youth
There's nothing so kingly as kindness,
And nothing so royal as truth.
We get back our mete as we measure;
We cannot do wrong and feel right;
Nor can we give pain and give pleasure
For justice avenges each slight.
The air for the wing of the sparrow,
The bush for the robin and wren,
But always the path that is narrow
And straight for the children of men.

MRS. CAREY

Mrs. Mayme Carey, Librarian, English and Foreign Language teacher has been chosen by the Annual Staff of 1954 as the person to whom their publication, the Tycoma, is dedicated. Mrs. Carey has been a loyal, friendly, and dependable faculty member of Highland High School since its formation in 1944 and before that for many years a beloved teacher at Cowiche High School. We are proud to recognize the 30 years of fine service that Mrs. Carey has given to the students of this and yester-years. We sincerely hope that her future shall shine as brightly as her past and that many more Highland classes will benefit by her instruction, guidance, and friendship.

Our memorable days at Highland will never be forgotten as we look at our achievement of the past four years.

Raising funds for our Senior trip and Senior gift occupied much of our time, but we were successful. A first ticket

rally for the Senior play boosted our funds considerably besides affording every one a good time.

As Seniors we can say we have gained much from our high school years at Highland.

The Junior Class has been very busy this year. A few of our activities were selling at games, giving dances, and the Junior Play. Then there was the Tycoma Contest with our candidate, Renee Bedard, winning, but the biggest and most looked forward to event was the Junior-Senior Banquet.

With all this behind us, we feel very capable of stepping into the responsibilities of becoming the Senior Class of 1955.

Pam,

IS HVE!

10 years have past since we started school and it just doesn't seem possible. Remember the Christmas Ball this year? You were with the guy I wanted and I had the one you wanted. Remember what you said? We talked and talked that night. I'll never forget the slumber party you gave and all us coming home in the morning. I hope you and Robin continue to have some good times together. Remember after the Junior-Senior Banquet. We really have had some good times together. I'll never forget those roller skating parties and maybe one of these I'll learn to skate. Remember class back to the sixth grade. We really thought we were smart, didn't we? Remember the jacket we love so well and maybe when we get older we can have one just like it? Heh?! Good luck always kid I enjoy your company very much. I'm glad to say you're my friend.

The Lassies of the Highland Girls' League have many activities during the year and we also have good times together. This year was started by choosing our big and little sisters. A Halloween party was given for the children at Rainier School. We also sponsored the Christmas Ball "Stairway to the Stars." To make a wonderful year complete a Mother's Tea was given in May.

This year's officers were: Shirley Hinkle, Property Chairman; Mrs. Rice, Advisor; Leah Nelson, Social Chairman; Nellie Judd, Secretary; Aleene Anderson, Treasurer; Gretchen Gerth, Vice President; and Glenda Wagner, President.

Teamwork was stressed by the Seniors in editing the Highland Hi-Lites. A larger than average journalism class was divided in half, making two separate paper staffs, each staff publishing an issue bi-monthly.

A familiar sight on Friday afternoons was that of some staff member rushing to meet a deadline, cutting headlines, doing art work, or running the mimeograph. These are just a few examples of what makes working on the Hi-Lites an interesting job.

This year the Junior Journalism class, under the supervision of Mr. Ralph Thomas, succeeded in putting out nine issues of Highland Hi-Lites. Demonstrations were given and many varieties of color were used in both paper and ink. The class, consisting of 24 students, found that putting out a paper is as enjoyable as it is educational. The staff was divided up into co-editors of each separate page, each choosing his own page. Shirley Connelly acted as editor and Marlene Bline as Assistant Editor. Along with the regular duties of the class, there were several occasions when special one page issues and programs for games were turned out.

This year there was an advertising page added to the paper. With the funds procured from this, many new pieces of equipment were bought which enabled the class to do a bigger and better job.

Activities including returning books to shelves, collecting overdue books, reading shelves, caring for magazines, arranging bulletin boards, and general housekeeping, highlights a librarian's busy day but

the library club was not all work and no play for these girls. Two girls join as hostesses for a party each month, the girls gathered in the home of Mrs. Carey for a December Christmas party-potluck and the month of May was spotlighted by a dinner-theater party.

During the year's course the group earned money through various means joining the football fund by contributing to it.

Pam -

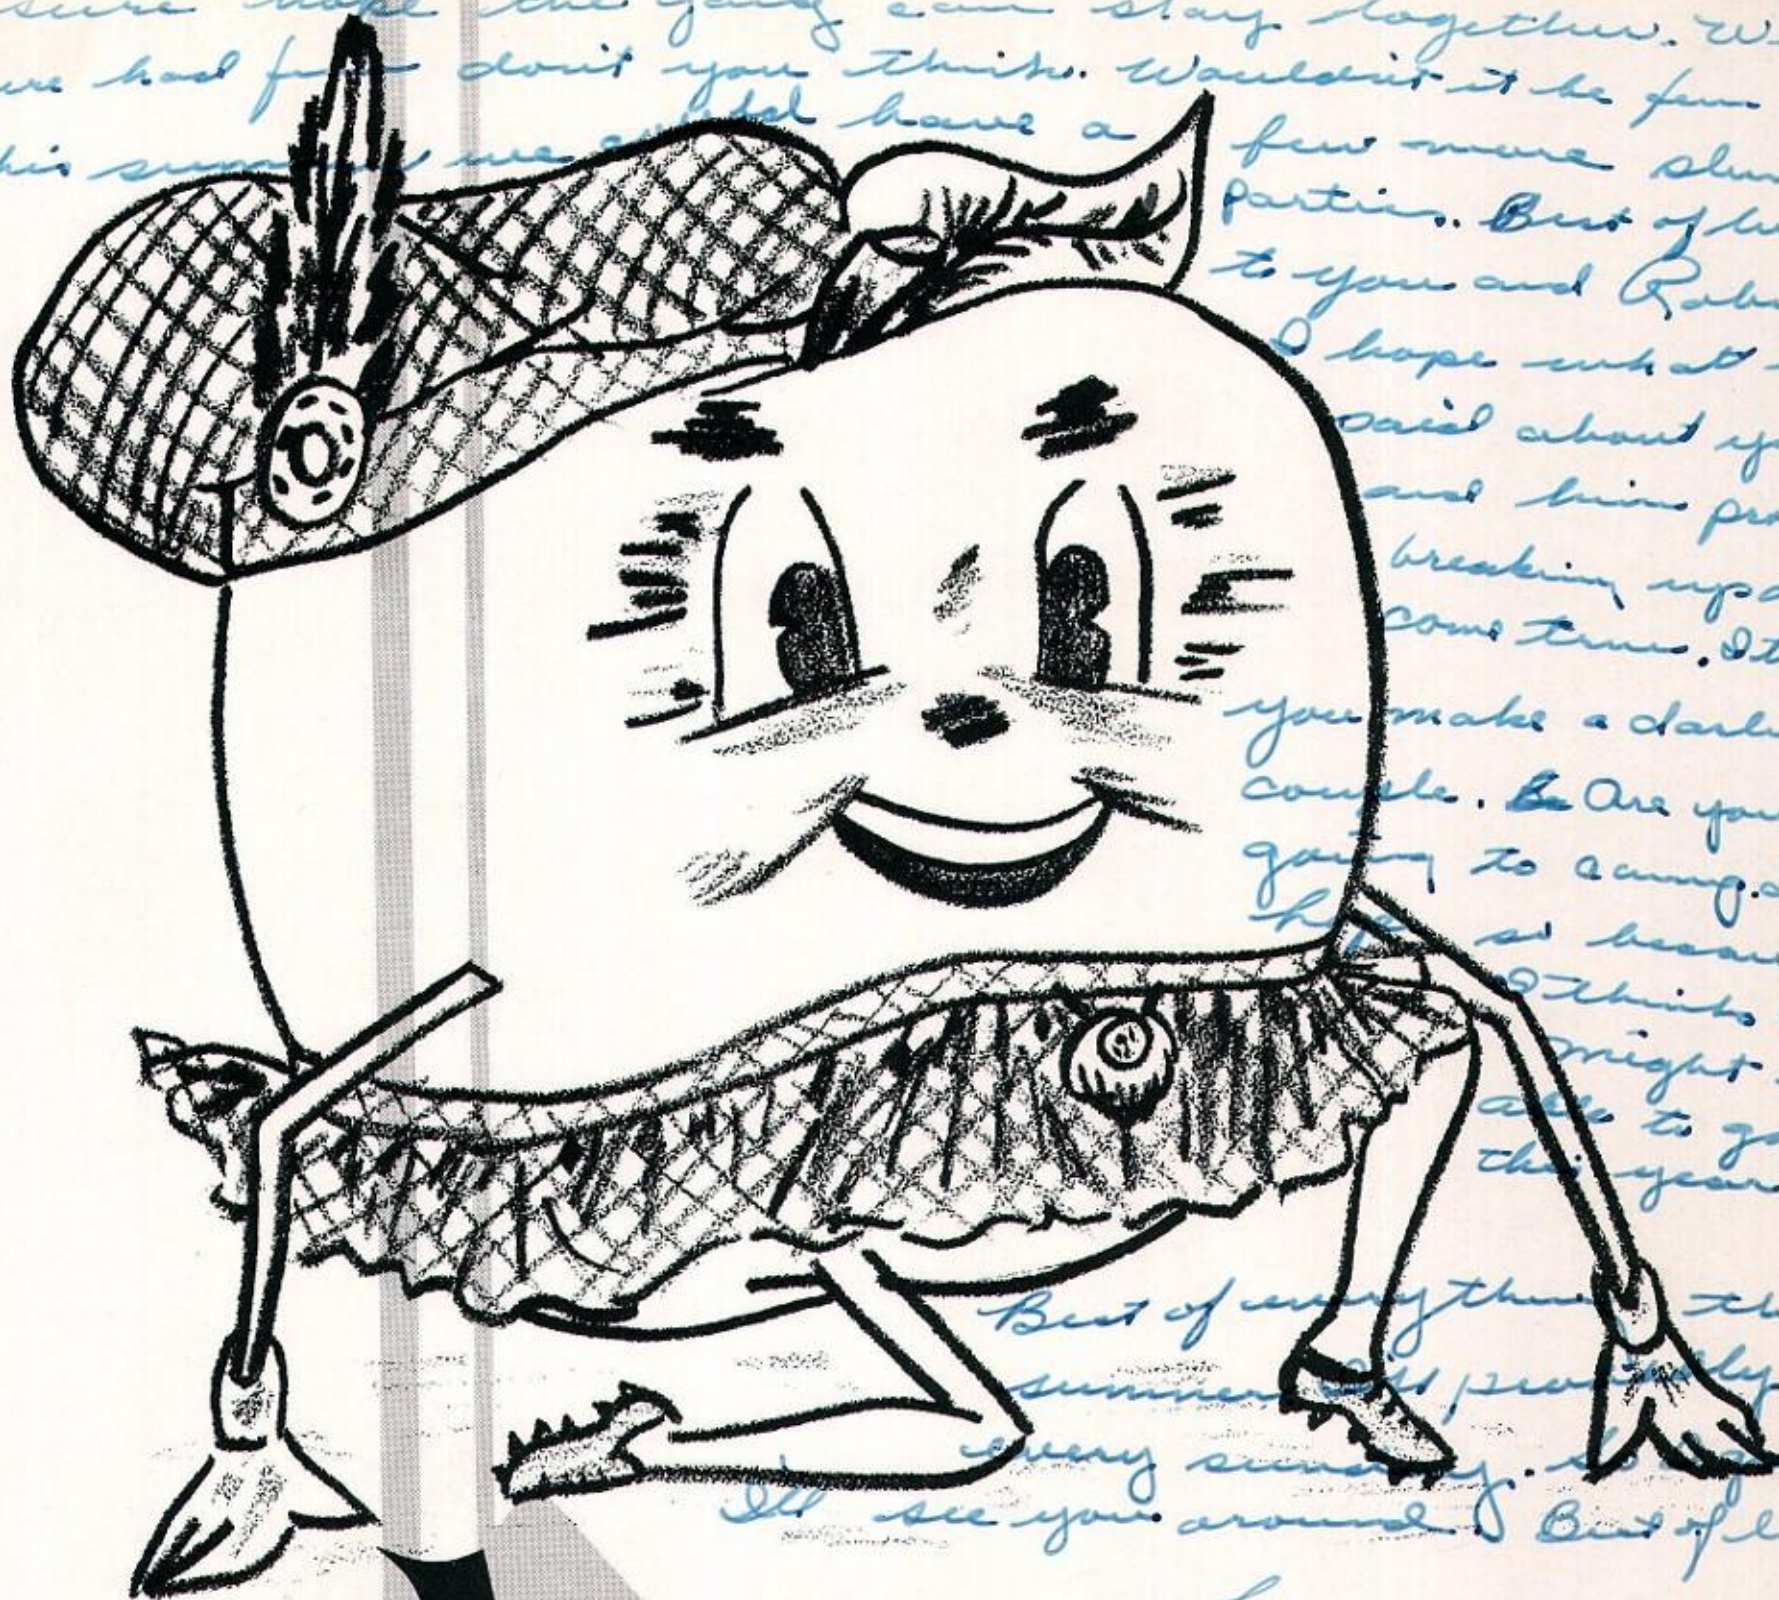

Best of everything to a wonderful member of the gang. Remember all the good times we've had together. Wiener roasts, scavenger hunts and skunked parties. Remember all the roller skating parties we went to. How we all went with the hopes of having a date to come home with but for some reason some of us always came home with Mrs. Buns. Remember the Spanish tests, at noon when you and Curt would sneak a Spanish book from somewhere and quietly look up a few answers. Remember the gay times we had at lunch times, ice cream & water fights, and walking up and down the halls. Remember the night we went out selling tickets for the Soph dinner and about to Pat Ballards house we lost you to a little man named Rubin. I bet you had more fun than we did. Remember our good and not so good times we've had at Y.Y. and Church. How you and I. Remember the number of times Mr. Thomas told us to grow up. Do you think we ever will. Remember the double dates we went on say to the Senior play and the movie "Farmer Takes a Wife". I sure had a lot of fun. Did you? Well only two more ^{years} of high school. I hope they will be as enjoyable as the first two.

I sure hope the gang can stay together. We're
 sure had fun don't you think. Wouldn't it be fun if
 this summer we could have a few more slumber
 parties. Best of luck
 to you and Robin.
 I hope what he
 said about you
 and him probably
 breaking up doesn't
 come true. I think
 you make a darling
 couple. Are you
 going to camp. I
 hope so because
 I think I
 might be
 able to go

Best of everything this

 you every Sunday. I'll
 see you around. Best of luck

Scotties Thump Ellensburg, 27-6

Cline Starts Win
With 80-Yard Dash

COWICHE—Racing 80 yards on the opening play of scrimmage, sophomore halfback Jim Cline scored the first of four Scotty touchdowns here Friday as Highland thumped Ellensburg, 27-6. It was the first time in Northern Division football history that the Scots had beaten the Bulldogs.

The Highlanders added another score just seven plays after the run in the first. The Bulldogs managed to

WAPATO — Highland's Scotties beat their third-quarter scoring hoodoo at the expense of Wapato here Friday night, smothering the Wolfpack 40-6 in a Northern Division football game.

The Scots have been plagued with third-quarter slumps in games this season, leading at the half but losing the contests as the Highlanders came back in the third period. The Scots marched the opening drive to the Wapato 15,

Scots Fight

Second-half kickoff, the Scots got up to the Highland 15. Back Roger Smith Bieloh's aerials led to the third pass to Ras-

only to lose the ball as Ray Abella intercepted one of Jim Cline's passes. An off-side penalty against the Wolves on the play returned the ball to the Scots' possession and Ron Rochel plunged five yards through the line for the first touchdown.

Wapato countered with a kickoff drive of its own that had the going 51 yards in nine plays. The Wolves bucked it over from the lone Wapato score.

The Scotties then unleashed an aerial attack and the Wolves were helpless as Tom Hammermeister and Cline took turns passing. Rochel and off as receivers completed 11 out of 13 passes.

Highland scored three touchdowns in the second half, going over from the Hammermeister end zone with the third score approached.

A Wapato fumble set up the Scots' jinxed third-quarter touchdown. Cline hurdled the line from the one after Highland had used 11 plays to go the distance to the goal.

Hammermeister connected two touchdown passes in the fourth quarter as the injury-riddled Wapato line sagged badly. The first was a 26-yarder to Rochelle who flashed into the end zone from 10 yards out and on the second he passed to end Morris Rasciner on the three-yard line.

Wapato took to the air in a last-ditch effort to duplicate the Scotties' aerial successes but only one of Joe Espinoza's seven last-quarter attempts connected and that one caught by end Jim Swan for seven yards.

Toppenish Surprises
High-Scoring Eleven

TOPPENISH — Toppenish turned in one of its best games here Friday night, a season for old grads re-

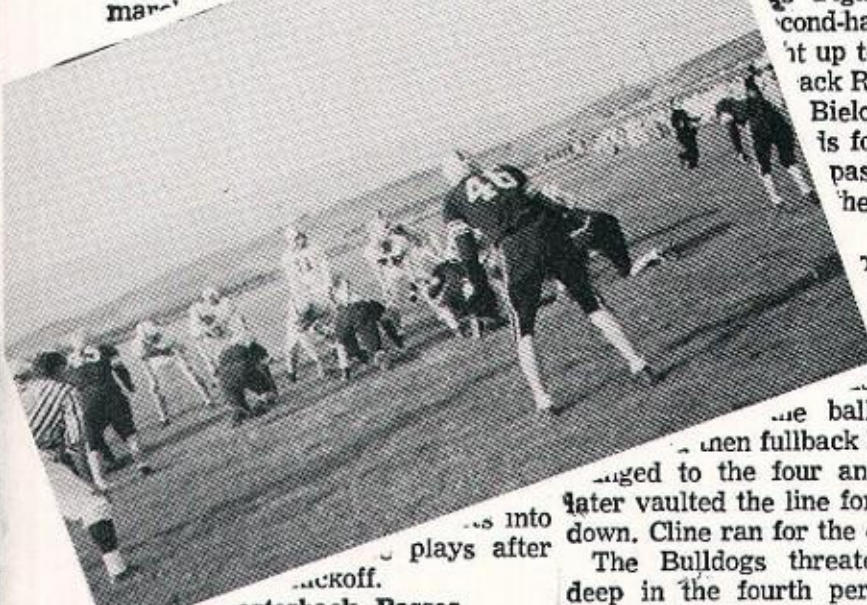

coming celebrating homecoming and high-scoring and scoreless

Vernon and Naches. The game was a thriller over Cle Elum.

Toppenish held the upper hand throughout the first half and repeatedly pushed inside Highland's 30-yard line. But an offside penalty on one occasion stopped the Wildcats and on another drive a 15-yard holding penalty took the starch out of their push.

A stubborn Highland defense held Toppenish at bay in the second half and the Scotties initiated a drive of their own that came within a yard of claiming a victory over Pool's club. Jim Cline and end for 40 yards to the two yard line in the third quarter. A line buck netted a yard but on the next play the ball fumbled and Toppenish recovered. Neither team scored seriously thereafter.

AND OVER TOPPENISH — Dwight Pool has Highland's top players rotating on all cylinders. Highland is second in the Northern Division only to Toppenish and rolling along. Highland 6

Inspirational Award Winner

The Highland 1953 football team started out the season with 68 candidates for the various positions. There were quite a few lettermen back, and the rest were boys with a lot of desire and willingness to play football.

The Scotties opened up against a strong Prosser ball club which over-powered the Scotts 28-13 for the win. In the second game the Scotties took their revenge by traveling to Sumner, beating Sumner 27-0 in a lop-sided tilt.

In the first league game against Marquette, Highland proved that they were not easily overcome when they lost by only one touchdown 27-20 against the league winning Marquette Squires.

The following week was very successful for the Scotties. With very few mistakes, they ran over the favored Wapato team 40-6 in the Scott's best game of the year.

To show Highland followers that the last game was no stroke of luck, the team scored a decisive 27-6 win over Ellensburg, which was the first time Highland has beaten this school in its short football history.

In the next game Toppenish tied the favored Highland team 0-0 in a hard fought battle in the Toppenish Homecoming game.

On successive weekends Highland lost to Naches 19-7, Cle Elum 21-7, and Selah 20-14.

Fullback Dale Leach was voted Inspirational player for the year by his teammates and Ron Rochel, Captain. Don Melton made the second team on the Northern Division "All-Star" team. Graduating seniors are: Ron Rochel, Don Melton, Bill Hammermeister, Fred Elander, Jim Losey, Roger Smith, Carl Wagner, Dale Leach, Jim Manring, Jerry Vander Howen and Gale Sorenson.

The Highland Scotties completed another successful basketball season by reaching the semi-finals in the district tournament. In tournament play Highland trounced Yakima 47-41 and then lost a thrilling game to Cle Elum by a score of 53-52. The Scotties posted a season's record of 15 wins and 8 losses.

The Scotties opened the season by winning the Jamboree against Selah, Marquette, and Naches. In league play, Highland continued their winning ways and finished second to the Cle Elum Warriors in a hotly contested race.

This year's team was a well balanced squad in which all of the squad members contributed to the success of the team. Lee Brauer, Ron Rochel and Clint Galloway will be lost by graduation and will be greatly missed, but the remainder of the squad will return for next year's season. The "B" squad which won 17 and lost 3, will also contribute to next year's team.

Lee Brauer was elected by his teammates as the honorary captain for the year. Clint Galloway and Larry Mortimer were chosen as the co-inspirational award winners.

Think...

Ten thousand words couldn't offer more sound advice. "Think," for consideration is intelligence applied to the problem. "Think" and your judgment will defeat worry, waste and want. Use the mind you have trained. Deliberate and your actions will produce useful results. Truly, thought is wealth, so "Think."

Left to right: James Howell, Ken Dueker, David Howerton, Bill Hintze.

Kneeling, left to right: Jean Snipes, Melba Rademacher, Marilyn Whiteside.

Standing: Marlana Kroger, Barbara Beffa, Shirley Hinkle, Aleene Anderson.

Although the 1954 tennis team did not win very many of its matches, it is hoped it gained some invaluable experience. In spite of some very strong valley competition this year, the team at all times exhibited good sportsmanship and a fine competitive spirit. Bob Hintze and Barbara Beffa were elected honorary captains. With Ken Dueker, Jean Snipes, Bob and Barbara returning, the team should give a good account of itself next year.

TRACK

First row, left to right: George Brown, Dick Cossel, Kingsley Fairchild, Roger Hansen, Mike Austin, Clifford Ginder, Carl Smith, Charles Pogue, Ronald Habedank.

Highland opened up with a dual meet with Sunnyside on the second of April, beating the Grizzlies 71 to 44.

Two weeks later the Scotties were edged out of a triangular meet with Cle Elum and Naches: Cle Elum

On May 16 the Scotties fell to the strong Ellensburg team 74-48 in a dual meet. At Wapato the following week, Highland lost 51-50 in a meet in which the pole vault event was left out, therefore keeping the Scotties from gaining any more points.

In the final meet Highland downed three of the valley schools to win a four way meet at Selah accumulating 61 points. The other three teams were Naches, Toppenish and Selah.

In the Sub-district meet held in Yakima the Scotties took fourth and placed Dale Leach and Delane Smith in the District Meet on the following week. Dale Leach won the District High Hurdles event and went on to the State meet in Pullman, in which he placed fifth for State Honors.

Dale Leach was elected by his teammates to be honorary captain for the year, while Don Scheuffele was elected inspirational award winner for the team. Graduating Trackmen are: Dale Leach, Don Scheuffele, Del Williams, Clinton Galloway, Fred Elander, Keith Button, Dick Hamlin, Dick Schut, Don Melton, Jerry VanderHouwen, Gale Sorenson, Ron Kruger.

BASEBALL

The Highland Scotties concluded a mediocre season by soundly trouncing the Ellensburg Bulldogs 10-4. The Scotties finished the league play with two wins and five losses against very formidable opposition.

In addition to "A" squad play, Highland this year played a "B" squad and a Freshman team schedule.

Another highlight of the season was the 13-0 no-hit-no-run win over Selah. Roger Smith, Jerry Gillespie and Ray Buckley combined to pitch the ball game.

Ron Rochel and C. G. Robbins were chosen by their teammates at the end of the season as captain and inspirational award winners. Ron and Jerry Gillespie, were chosen to play in the All-Star games in Yakima.

The Seniors who will be lost by graduation are Jim Manring, Ron Rochel, Marion Hess, Oscar Strobe, Roger Smith and Jim Losey. A strong nucleus will return for next year's varsity team.

The leading hitters for Highland were Strobe, Gillespie, Robbins, Ron Rochel and Jim Manring. They all hit .400 or better.
